Missionaries to Argentina

March-April 2026

Dear Churches, Pastors, Family and Friends,

Greetings in the name of our Lord and Savior Jesus Christ! We are thankful for your prayers, encouragement and faithful support for the ministry. God has continued to bless the work, and we are excited to share what He has been doing during the months of March and April.

March was our Missions Month. We taught on missions during four services, and our people truly developed a burden for missions. Our Faith Promise commitment came to $100 a month. Please remember that these are very poor people, so we were amazed and encouraged by their sacrificial giving. As a result, we have begun supporting a missionary serving in the northern mountains of Argentina. We are grateful to see our people growing in their love and support for missions.

We have also begun facing a good problem — we no longer fit in our small storefront building. During the months of March and April, we averaged close to one hundred adults and sometimes as many as fifty children. Many services had from ten to twenty adults and thirty to fifty children sitting outside of the church building. As winter approaches, temperatures are dropping, and some people have been sitting outside when the temperatures were around 55°F.

We would greatly appreciate your prayers for our building project. Please pray that we will be able to move into the new building as soon as possible. Originally, I believed that we needed $3,000 for the roof and another $1,000 for its installation; however, the final cost came to $5,000 for the roof and $2,500 for the installation. We praise the Lord that the funds have already come in for this need, and Lord willing, the roof will be installed during the month of May. Our plan is to begin holding services in the new building as soon as the roof is completed, the lights are installed, one bathroom is finished, and one classroom is completed.

Below is a list of the remaining needs to complete the project. If the Lord leads you to help, any amount would be a great blessing. Tile Floor — $2,000, Lights — $2,500, Doors and Windows — $1,800, Bathrooms (2) — $2,200, Classrooms (3) — $2,600, Kitchen — $1,600, Auditorium Ceiling — $1,000, Paint — $1,000, Labor — Donated, Total Remaining: $14,700

We would like to express our sincere gratitude to all the churches and pastors who have faithfully supported the church construction project through your prayers, sacrificial giving, and encouragement. Due to your generosity, we have been able to continue moving forward step by step at building a place that will be used for the preaching of God's Word and the reaching of souls with the gospel. Thank you again for your continued prayers and support for the ministry. We are grateful for your partnership in the work of the Lord.
