Dear Praying Friends,

Greetings in the Lord. We are thankful for God's continued guidance and provision over these past several months. In our last prayer letter, we shared that we would be moving back to South Dakota at the end of March. By God's grace, we officially made the move and are now getting settled into our new home.

This transition has been a big adjustment for our family, and at this time, we are focusing on getting settled and obtaining the things we need for our home before stepping fully back into ministry work. We are grateful that the Lord has helped us through the move safely and has provided for many needs already.

One blessing has been reconnecting with several people we knew from the time we were here before. It has been encouraging to renew those friendships and make some new ones.

As we move forward, we are praying for wisdom and direction concerning future ministry opportunities and how the Lord would have us continue ministry here in South Dakota. We are trusting Him to open the right doors in His perfect timing.

In Christ,

The Pannell Family
