Macedonia WORLD BAPTIST MISSIONS, Inc.

Dear Pastors, Friends, and Family, **March-April 2026**

Greetings in the name of our Lord and Savior, Jesus Christ! We trust that you all are doing well and are pressing on! Thank you for your prayers during this time of change.

God has truly blessed us these last two months. We have started our language learning, which has been a slow but steady process. God has blessed us with a good tutor, as well as friends in the church we are working with to help us practice what we are learning. The people in this church have been a tremendous blessing to us. They have welcomed us with open arms, and we have quickly built friendships with the people here.

When we first arrived in Spain, we found that it was much easier and cheaper to get the random household items we needed for our apartment from Amazon. This led to quite a few deliveries, which gave me the opportunity to build a connection with our Amazon driver. It amazes me that when we are willing, the Lord can open doors we never would have expected. Please pray for David, and for many more opportunities for us to develop relationships and, in turn, opportunities to share the Gospel.

We also had the privilege of being a part of the five-year anniversary of the church we are working with. It was such a privilege to see how God is working here in Jaén. There was a record high number of people in that service, with several first-time visitors.

We head back to the USA on the 20th of this month because of visa requirements we are working through. As I have mentioned in the past, we were waiting on a document from the Spanish government that the church needs to sponsor our visa application. Praise the Lord, that document finally came in! However, we recently found out there is one more document the church has to wait on that we were not aware of before. Please pray that this second document comes in quickly so we can get our long-term visas.

Once again, thank you for your continued prayers, encouragement, and support. We are so blessed to have such loving and faithful friends standing with us.

Because He Loves the World,

Luke and Charity Ryan
