Goals
- Church Planting
- Christian School
- Christian Care Ministry

Family

Glory and honor be unto our heavenly father for the great things he has done unto us. We are doing well as a family. Our children are now grown up. Enock is 30, Mike is 25, and Abigael is 20. Pray that the Lord be with them as they pursue their careers as God leads them.

Christian School

Indeed, our Christian school has been a great help to the community. It has been a means of reaching the young with God's word. This term, we have received new students, and we thank God for that. We also want to thank God for the school roofing project. We managed to repair the areas that were leaking. We thank God for the support you gave us. Special thanks go to Rachel Miller and others for allowing God to use them. May God bless you for serving Him.

Special Project

This year, we have a very special project. Our school van is getting too old. It has given us a lot of mechanical problems. It is our prayer that God may help us get a new one or a used one in better condition. A new one costs about $20,000, and a used one about $15,000. This van is the backbone of our school operations. We trust God may use you in his own way.

Prayer Requests

1. Pray for my health.
2. School van.
