Dear Pastors and Praying Friends,

Thank you so much for your patience with our tardiness in getting this letter out to you. We have a big announcement to share and wanted to wait until it was official before sending out our update. Macedonia World Baptist Missions has decided to make some changes to their territories, thus affecting some of the field directors. We have overseen the Southwest USA since 2019, but it will now be joined together with the Northwest USA into one "Western USA region". As a result of this change, Bro. Tim Wall will now be the director of the entire USA West. With this change, it has allowed us the privilege to take on a directorship that is very dear to my heart. As many of you know, I grew up as a missionary kid on a primitive island in the Bahamas. I was saved there and served there until the age of 15. The islands have always held a special place in my heart, and now God has opened the door for me to become the Field Director of the West Indies.

The West Indies consists of 31 countries and territories, 140 inhabited islands, and over 44 million souls. Nine of these countries/territories have only 1 missionary and 13 of these countries/territories have no missionaries at all. Please pray with us that God will help us as we endeavor to be a help to our missionaries serving in the West Indies and to do all that we can to see more missionaries take the Gospel to this needy part of our world.

Our ministry responsibilities will not change, only our location. We are so thankful for the time the Lord allowed us to serve alongside the missionaries in the Southwest USA. Please pray for Bro. Wall and the missionaries serving across the Western USA as they continue on for the Lord.

We are excited for this change and can't wait to get down to the islands to see our missionaries and to begin working alongside them.

Since our last prayer letter, we have hosted 3 Reach the World Youth Conferences, including our annual conference at the headquarters of Macedonia. God brought in many young people to the conferences and we are so thankful for the work that He is doing. Please continue to pray for this next generation to have soft and surrendered hearts toward God. We need more laborers to reach this world with the Gospel!

Logan returned from his internship in Papua New Guinea. He had a tremendous time there serving alongside Bro. Caleb Wilson and his family. They traveled many miles to other islands and saw 16 souls saved! God has solidified in Logan's heart that PNG is exactly where He should be, so please pray for him as he will be starting deputation next year! We are so excited for him and ask you to please pray that God will use him in a mighty way in Papua New Guinea!

We appreciate you all so very much! Thank you for your faithful prayers and support! God is doing big things and we are thankful to be a small part!
