MARCH/APRIL 2026

MISSIONARIES TO PERÚ

Evangelistic Conference

We were able to have an evangelistic conference on Resurrection Sunday weekend. Friday and Sunday we had regular services, and we showed an evangelistic film on Saturday. One of the men of the church has begun studying in an online seminary, and he gave his first message- a Gospel presentation- following the film. On Sunday, I was able to preach from I Corinthians 1 concerning the "preaching of the cross." We had several first-time and returning visitors throughout the conference.

4th Church Anniversary

Sunday April 19, we celebrated 4 years of the goodness of God at Redemption Baptist Church. Pastor Henry Sucapuca, who pastors our mother church Calvary Baptist, came to preach. We saw the Lord's work on display as many people joyfully served helping with cleaning and decorations, presenting special music, teaching, and preparing and serving the meal. The last part of 1 Samuel 7:12 states: "*Hitherto hath the Lord helped us.*" We can truly say that the Lord has helped us to this point, and I know that He will continue to do so.

Camp and Property Purchase

God blessed with a wonderful time at youth camp with many decisions being made, including 5 young people putting their faith in Christ! We had around 100 campers, which was more than we have had in previous years. We have been seeking to purchase property to build our own camp (as opposed to renting a camp with prices that go up each year). Just before buying the property that we had been pursuing, the owner decided that he would not sell. We were definitely disappointed, but we know that God was guiding.

Thank you for your faithful prayers and financial support. They are a tremendous blessing to our family. Rejoicing in the Risen Christ,

Robert & Sara Stover and Family

We have located

another property that we wish to purchase- 11 acres with a well, electricity, and close access to a paved road. We currently have \$10,000 of the \$50,000 asking price. Please pray for God's provision if it is His will for us to have this land.

Pastor José, Lucia, and Family

Lord willing our family will be traveling to Cajamarca for a week in mid-May to be a part of the church anniversary at Maranatha Baptist Church where José is now pastoring. We are looking forward to it.

Please pray for several requests for their family. We have requested prayer for the salvation of José's mother, *Mirtha*, many times over the years. We are so excited to report that she has trusted Christ as Savior! God used an accident she had getting off the bus to work in her heart, and we see a change in her already. God provided for her ankle surgery where the doctors had to place several screws. She is now recuperating, and it is a time of financial stress for the family as she was the provider for another son and grandson. Please pray for God's provision and for the salvation of her grandson, *Jared*.

Also, for some time now, Lucia has experienced some concerning health issues. She needs to have a surgery that will cost around \$3,000. Please pray about these needs, and if God would touch your heart to help, I know they would appreciate it.

Baptisms

We praise God that two young ladies were baptized in March! Please pray for growth for them and others who continue being discipled.
