Fast Facts about Idaho

- 1.3 million people
- 27% of population are Mormon.
- 14th largest State
- 5th fastest growing State in the Union.
- Nez Perce Indian Reservation between 3000-4000

Dear Pastor and Church,

This year is off to a good start so far. The church has been doing really well. We've had a couple of new visitors in the past several weeks. Pray that God will move in their hearts whether it is about Salvation or Church attendance. We are looking forward to the coming months that God will use us to be a light and witness for Him.

Several weeks ago we had a lot of rain which caused some flooding and really bad mudslides in the area, we thank God that he kept us save during that time. Idaho has declared a drought, due to the above average winter temperatures and below average normal snowpack. This increases the risk of forest fires in our region. Pray that God will keep his hand of protection on us and our communities.

We want to thank you for your prayers and your financial support and may God bless you greatly. May our churches see the need for missions throughout the world and on our own shores.

In Christ's service,

Daniel Vaughn
