March - April 2026

“For the Lord is a great God, and a great King above all gods. In His hand are the deep places of the earth: the strength of the hills is His also. The sea is His, and He made it: and His hands formed the dry land” (Psalm 95:3-5). As we enter into this time of spring, our hearts recognize the majesty of the Lord in the beauty of His Creation. We have the privilege to live in one of the most beautiful countries in the world. We are thankful to our Creator for His marvelous works! The tulip fields and beauty of the water that flows through this land are just a few reminders that the Lord is a great God.

We would like to praise the Lord for answered prayers. We speak often of Caroline’s medical treatments for Juvenile Arthritis. We have had visits in the last two weeks with her Ophthalmologist as well as her Rheumatologist. Both stated that there seemed to be no inflammation in her eyes or joints. Praise the Lord! We also asked for prayer as Sabrina sought to get her driver’s license. She was able to take her test this month, and she is now a licensed driver in the Netherlands. Praise the Lord!

We are still praying about the Gospel meetings here in the Netherlands as we continue in the planning stages. The Lord has provided the funding needed for equipment that we will need for translation as well as sound equipment. We didn’t present this need in any of our prayer letters, but God met the need in His way. We want to thank our home church, Calvary Baptist Church, for following the Lord in meeting this need. Please continue to pray with us that God would provide a place to hold these meetings. I have contacted several locations, but they have not responded to my inquiries at this time.

Please continue to pray for our quest to learn the Dutch language. I completed two weeks of intensive courses which helped me advance, but I still lack the ability to understand. We still have a long way to go in our learning of the language. It is very difficult, but we know that God is able to help us in this area. Please pray as we seek additional training in this area.

We had a special blessing this month. We had a visit from our Pastor and his wife. We are thankful for a Pastor who supports the ministry here and is interested in seeing souls saved!
