January 2026

Dear Friends,

We continue to see the Lord at work!

Ministry
God continues to greatly bless the ministries in Milne Bay.
1. Eastern Sky Baptist Church is doing well. We have seen various people saved in the last few months, and there have been quite a few Christians, previously out of church, who have been coming back to church! It is a blessing seeing people get right with God!
2. Island Hope Bible Institute successfully completed its first year of bible school! We started the year in February 2025 with 18 students, and we finished the year November 2025 with 16 students. Pray for us as we start our second year in February 2026. We are grateful for this opportunity to teach believers and train future leaders!
3. Our outreach opportunities have seen tremendous fruit. In November, we sent Pastor Amos along with two of our Bible school guys to travel the road from Alotau to Port Moresby (12 hours) with the hope of preaching in villages and distributing Bibles. We praise the Lord for several souls saved and several hundred Bibles being given out. We have plans to revisit these new brethren and are praying the Lord opens a door for a church to be started near those communities. We have another big outreach planned for Woodlark Island in February. This island is about 6 hours away by boat and has no Gospel-preaching church. Please pray for safety and souls!
4. In December we had a large feast to celebrate the land that was given for the Bible School. We cooked 4 pigs and about 150 kilograms of rice. We invited everyone from our village and surrounding villages to come eat, hear the word, and witness what the Lord is doing. This was a great time of fellowship and thanksgiving, and we were even able to distribute several hundred bibles to many people who came!
5. Also in December, we had a wedding. One of our Bible school men, Joshua, got married to his lovely wife Rita. It was a beautiful wedding, and we are so thankful for these two starting their lives together the right way!
5. We started 2026 with a 3-day VBS for the children in our village. Tabitha did an amazing job organizing everything! Brother Brown, one of the men training in the bible school, and I preached, and it was a blessed time of fellowship, games, crafts, and learning from God's Word.
6. We have our first missionary intern coming at the end of January. Brother Logan Saunders will be with us for six weeks helping in the work and getting valuable ministry experience. We are excited for what the Lord will do with Logan during his time here. This is a part of the ministry that is very near to our hearts, and we are really praying for the Lord to give us more opportunities to host interns.

Family
The Wilsons are greatly blessed. We have enjoyed the holiday season. We stayed at home in the village and used these few weeks to refresh ourselves, and also get some more work done on the house.

We greatly appreciate all your faithful prayers and support. We are grateful for your service, and we appreciate your help in the work God is doing in Milne Bay. The Lord is Good!

Distributing the Word

But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God. Acts 20:24
