Missionaries in South Africa

January-February 2026

We began January praising the Lord as we celebrated our 3rd Anniversary at Solid Rock Baptist Church. If we could summarize these past three years in one phrase, it would be, *"Our cup runneth over."* The Lord has been so gracious to us, and we have witnessed tremendous growth, spiritual maturity, and many blessings through the people and families of SRBC these last 3 years! As we look ahead, we are beginning preparations for our furlough in Spring 2027. Please pray with us that the church will be strengthened and ready to continue faithfully during our absence.

Our Annual Ladies Fellowship, with the theme of *"When Life Gives You Lemons,"* was a great blessing this year. We had over 40 ladies in attendance, including several visitors from a nearby sister church. While in the States for our VISA situation, Courtney was often asked how others could help in a personal way, and this event was frequently the first thing she would mention. Many of you helped with the "lemon-themed" décor and prizes, along with your prayers and generous support, making this event far exceed our expectations. We give all the glory to the Lord and want to sincerely thank each church and individual who contributed to this special event.

At the end of February, we completed the second semester of the Solid Rock School of the Bible, focusing on Bible Doctrines. It has been a joy to see the growth and engagement in these classes. Many in our church are familiar with what they believe, but these lessons are helping them understand *why* they believe it and where to find it in the Bible. This is strengthening their faith and equipping them to stand and defend biblical truth, as well as empowering them to raise strong families. Please continue to pray for several young believers who are especially hungry to learn. While this is exciting, they are also facing confusing doctrines, cultural influences, and worldly temptations. We need wisdom, time, and boldness to help guide and disciple these tender hearts with discernment.

It has often been said that "preaching is king and music is queen" in the church. While not every church is blessed with a strong music ministry, the Lord has graciously allowed ours to grow and thrive so much in the last year! From children and adult choirs to more families participating in specials, young people learning instruments, and new ensemble groups forming, we are thankful to see this area flourishing. (See attached video)

Thank you for your continued prayers and faithful support. We are grateful to serve the Lord together with you here in South Africa.
