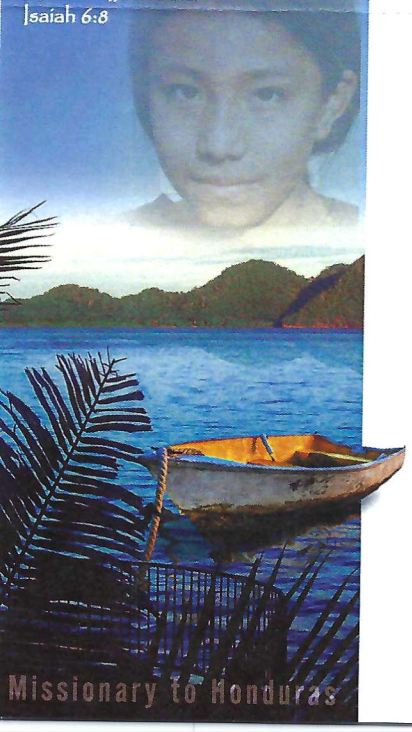
"Also I heard the voice of the Lord, saying, Whom shall I send, and who will go for us? Then said I, Here am I; send me."
Isaiah 6:8



January-April 2026

Dear Pastors and praying friends,

To say this has been a busy time is most definitely an understatement. As I looked back over the calendar to write this prayer letter I was so blessed to remember the ones who were saved during these events, and trace the hand of God through their desire to grow through baptism and discipleship classes. God does nothing halfway and as long as we are willing to be an instrument in His hand to do His will, we will see eternal rewards.

January - In January we had soccer camp for the children of the school and for children in our area. A group came down from the States and taught the children drills and played soccer with them even in the pouring rain. Each day of the 5 day camp, the children received a Bible lesson and then broke off into smaller groups where several were saved.

February - February we had the couples banquet for Valentines Day and also had Friend Day at church. Our church was full and a simple Gospel message was heard by many for the first time. We still have people coming who were invited for that one special day and we are excited to see God work in their lives.

March - In March we were finally able to have the adult tournament part of our soccer outreach from January. The rains were so bad in January that there was no way we could have the teams in. But they showed up, full force in March and as with the children's soccer camp, each night a Gospel message was heard by the teams and those in attendance.

April - April was super busy, first of course with our Easter service. We started Easter morning with breakfast and followed up with a wonderful service filled with special music and most importantly a Gospel message detailing exactly what Easter means for us.

At the end of April we had our annual Faith Promise mission conference. This conference was the best attended we have ever had with the church being full for each service. When we took up the Faith Promise cards, we saw a 36% increase in giving over last year's total. We were able to take on the 2 missionary families who were here for our conference, bringing our total missionaries supported to 17. I just want to thank each and every one of you who support me financially and prayerfully. Just look what your faithfulness in giving is doing not only in Honduras, but in other parts of the world. Our missionaries are in Nicaragua, Ecuador, Haiti, Dominican Republic, El Salvador, Spain, Chile, Mexico, Africa, Bolivia, Morocco, and here in Honduras as well. May God bless each of you as you help fulfill the Great Commission.

Please enjoy the attached page of photos of things we are seeing happen here in Hope Baptist Church.

Your grateful missionary,

Marti Roberts

Día del Amigo

(Friend's Day) Many of our congregation invited friends and neighbors to come listen to the Word of God.

Soccer Tournament

The Men's soccer tournament was a huge success. Many heard the Word of God who would have not heard otherwise.

Mission Conference

Our children, teens and singles all sang during the mission conference. We are blessed with a big group of children and young adults who love to sing for the Lord and are not ashamed to raise their voices in praise to Him.

International Experience

Each year during our mission conference, we have what we call our International Experience on the last night. Our church people "adopt" a country and prepare food and dress in clothes typical to that country. They also have facts about the country that they share.

Thank you for loving Honduras as much as I do!!
