
THE WADES

General Director Emeritus & Senior International Consultant

June 4, 2026

Dear Pastor and Friends,

I want to give an update on Mom's condition. Her dementia has progressed to the point of continuous 24/7 care. She is experiencing sundowning with psychosis, getting up at night for several hours. We have decided to put her under Hospice care. They will help regulate her medications so she is calmer.

Physically, she is falling some but has not had any serious injuries that we can tell, but dementia will mask that sometimes. Please continue to pray for her.

If you need information about Mom's condition, please feel free to write to me at davidwade@mwbm.org or call me at 404-723-9456.

We want to thank you for your prayers again and continued support for our Mom. Your support makes it possible for her to receive the full-time care she needs.
