May 28, 2026

Dear Praying Friends,

We have had a busy couple of months! In April and May, we were able to participate in a few different missions conferences out west and also preach two different missions Sundays. We always enjoy sharing the need for churches out west. There are so many towns without a gospel witness. We were also able to participate in a Bible Conference in Oregon, Vision Week in Utah for church planting in the West, and Jennifer was able to go to a preacher's wives' retreat in Montana. We are so thankful for all of the churches that we have been able to visit and the new friends we have met along the way. We have also been able to visit two of our MWBM church planters in Idaho so far this trip. We have our other western missionaries scheduled this summer as well, and we are looking forward to seeing them!

Since the Lord first called us to missions in 2002, He has met every need. We are always amazed at the Lord's timing and His provision. Recently, we had been discussing the age of the tires on our RV. The back ones were 11 years old, and the front ones were 8 years old. We drive many miles in our RV and need reliable tires. A church in Washington took up a special love offering for the tires, and the Lord met the need! Praise the Lord!

In 1 Chronicles 4:10, Jabez prays that the Lord would "enlarge my coast." Right before we left North Carolina in March, a dear preacher friend prayed for us that the Lord would enlarge our coasts. Well, the Lord has certainly done just that in our ministry. Recently, our mission board reorganized how our fields were divided. The Northwest USA, Southwest USA, and Western Canada are now combined into the field called North America West. So we now are working with 18 missionaries currently serving with our board in those areas. We are excited to get to know these new missionaries and visit more places in need of a gospel witness. We are also praying for more laborers in the field!

Today, as I write this on May 28, 2026, it has been 21 years since we boarded a plane in NC and left for WA to start a church. We were 25 and 24 years old with a 13 month old baby. The Lord has been faithful every step of the way! There is no better place to be than in the perfect Will of God! As the song says, there is "no need to doubt Him now!"

Thank you again to the many churches and individuals who pray for and support our family and ministry! We truly could not do this without the prayers and support of God's people. We are constantly amazed at the goodness of the Lord and the generosity of God's people. Words cannot express our thankfulness to those who "hold the ropes" for our family and ministry.

In Christ,

Tim, Jennifer, Jason, & Layla Wall
