Dear Friends,

God continues to do amazing things in our corner of the field!

1. Family
We are grateful to our Lord for His abundant grace and blessing on the Wilson family. In March, we celebrated 7 years of calling Papua New Guinea our home. Ministering in this place has brought about much uncertainty and difficulty, and at the same time, produced much joy and fulfillment. We thank God for where He has put us and the people He allows us to serve! In April, our family took a few weeks away from the island and attended a conference in Brisbane, Australia. It was a much-needed time of refreshment, reconnection, and revival. Tabitha recently had a birthday, and I was amazed at the love our church people showed to her. They threw her a birthday party, cooked food, and even gave her gifts. God's people are the best people!

2. Church
Eastern Sky Baptist Church continues to grow in understanding and faithfulness. God is greatly using this group of believers to impact our area and even beyond. Our church recently started financially supporting mission outreaches in other parts of the province. It is amazing seeing God's people, some of which are very new believers, understand their responsibility and privilege to be part of the Great Commission. We have been blessed to see several get saved recently and several more get baptized in the last few weeks. God has given us some dear people, and we thank God for their faithfulness to Him and their heart to take the gospel further.

3. Bible School
We are midway through year two of Island Hope Bible Institute. So far, we have completed our study through the Book of Acts and our classes on Virtue. We are now studying through the Epistles. It does not get much better than seeing people hungry for the Word gain spiritual understanding from the Scriptures. Praise God for what we get to do for Him!

4. Outreach
I wrote before of our venture in February to 5 distant islands for outreach. God saved 16 souls on that trip, and we are still relishing that joy. In April, we organized a follow-up trip for a few of our guys to travel back to those islands for further teaching and evangelism. They were all set to travel, but sadly, a severe cyclone (the equivalent to a hurricane) passed through those islands that same week, preventing them from going. May to August is not safe to be on the sea due to the Southeast Trade Wind, so Lord-willing, we will try to organize another trip later in the year. Please continue praying for those souls in the Woodlark Islands, and pray for many more souls in the islands to accept Christ!

We appreciate you all helping us reach our corner of the field, and we ask you to continue praying for us as we go further for the glory of God.

Your missionaries to PNG,

Caleb, Tabitha, Cassia, Cherith, and Jesse Wilson
