Re: Connie Anderson Update

Dear Pastor and Supporters:

I wanted to take a moment and send an update on Connie Anderson in Haiti.

The situation in Haiti continues to be extremely dangerous, but by the protecting hand of God and His great grace, Mrs. Connie, the workers, and children are all safe and doing well.

As you may or may not know, for well over a year now, Mrs. Connie has not been able to get her passport renewed due to the violence in Port-au-Prince, where the U.S. Embassy is located. The good news is that Mrs. Connie has finally heard back from the embassy and is being provided an appointment and location away from Port-au-Prince for the renewal. Please be praying for the appointment and for her safety as she travels to and from the appointment.

My wife and I met Brother Terry and Mrs. Connie in 1985 and have been to Haiti and seen the work. Brother Terry was a faithful man of God till the day the Lord called him home. Mrs. Connie stood faithfully by his side working together and loving the Haitian people. Today, Mrs. Connie carries on and works tirelessly just as she always has. She is beloved of her family, Macedonia, the Haitian people, and, I am sure, of you all as well.

Thank you for your continued support and love for Mrs. Connie and the work there on the mountain.

May the Lord richly bless each of you.

Yours for Souls,

M. Dean Hamby
