July 2026

Dear Faithful Supporters,

Hope things are well with you, your family, and your church. Thank you for every prayer you have prayed for us, every encouraging word, and your financial support. As I told you in a previous letter, I have been diagnosed with Alzheimer's. It has mostly affected my strength and balance. I cannot travel as much or speak in meetings. I am now focusing all my attention and energy on the mission work in Kenya. I am involved in the following things:

- Conference calls with the Kenyan team, which includes Dr. Seabury Nabero, members of his team, and TJ Tilley, who is a missionary on the ground in Kenya for many weeks each year.
- Help plan overseas travel to Kenya for pastors in the United States. No money given to the Kenya project is used for this travel.
- We support 40 Kenyan pastors who have all graduated from one of the Bible colleges in Kenya. These men go weekly into schools and universities and preach the gospel. They are also responsible for planting 40 new Independent Baptist Churches since January of this year. These churches now have a national pastor trained in a Bible college and a structure to meet in.
- I require the Kenyan teams to keep detailed records of all spending and turn in all receipts.

I BELIEVE THIS IS THE GREATEST OPEN DOOR I HAVE SEEN IN 54 YEARS OF MINISTRY.

Diane and I do not take any of the money that is earmarked for the Kenya Gospel Project. Again, we thank you again for your many years of faithful support. Whatever your church decides to do in the future, we love and thank you.

Roger Baker

Macedonia WORLD BAPTIST MISSIONS, Inc.

Assisting the local church and the missionary in reaching the world with the Gospel

Greetings in the name of our Lord Jesus Christ.

I am writing to update you concerning Dr. Roger Baker, a faithful servant of the Lord and a longtime member of the Macedonia World Baptist Missions family. For more than a decade, Dr. Baker has served our ministry in several important capacities, including European and Middle East Field Director and Director of Training. His influence at Macedonia and throughout the cause of world evangelism has been immeasurable. Through his leadership, counsel, preaching, and personal investment in missionaries, countless lives have been touched for the glory of God.

Recently at Dr. Baker's request, he and I met together to discuss his ministry responsibilities. Because of ongoing health concerns, he has found it necessary to step away from his administrative roles with Macedonia. While this decision was not made lightly, it reflects his sincere desire to be above board with his supporting churches and to ensure that he is able to fulfill his responsibilities with integrity and transparency.

Although Dr. Baker is no longer serving in these leadership positions, he will continue to represent Macedonia World Baptist Missions and remain actively involved in the ministry in Kenya, a field that has long been close to his heart.

As long as you desire to continue supporting Dr. Baker, Macedonia World Baptist Missions will continue to process all support received on his behalf. Our office will ensure that every offering is forwarded to him promptly and that proper receipts are provided for your records.

I would encourage you to earnestly pray for Dr. Baker during this season. Only eternity will reveal the full extent of his influence upon my life and the lives of countless others who have been strengthened through his ministry.

Thank you for your continued faithfulness and partnership in the work of the Gospel. Should you have any questions, please do not hesitate to contact our office. We would be honored to assist you in any way possible.

For the cause of Christ,

Scott Caudill
