Pray for THE CULLERS

MISSIONARIES TO TAIWAN

July 1, 2026

Dear Pastors and Praying Friends,

Spring has past and we are starting summer activities. In April we went to schools and Old Folks Homes for the Easter presentations. Praise the Lord we were able to share Christ's resurrection with about 2,000 people. It was a joy to share this story with many of them that have never heard before.

In May we also went to some nursing facilities and shared a Mother's Day presentation, including the gospel. For Mother's Day at Mountaintop Baptist Church we had around 21 mothers for a special dinner. In the new Neipu Baptist Church we had 15 mothers, which is a good number for this church. There were many unsaved mothers there.

In June we saw several responds to the gospel on Saturday visitation. What a joy to see people in the church win others to Christ. I had the privilege of praying with a man in his 80s to reaffirm his faith in Christ.

Behind the Mountaintop church there is a nursing facility we often visit. We now have three residents that we bring over in wheelchairs for the Sunday morning service. One of them is an elderly lady. She has renewed her faith in Christ after many years of being away from Him.

In July and August we will be attending youth camp and also two 5-day VBS programs. Please pray for these meetings. Our son, Neil will be the main speaker for the camp this year. Please pray for him too.

Thank you to all who prayed for us during the typhoon rains in June. In two days we received over 2 feet of rain. There was a lot of flooding in low areas. Taiwan is used to typhoons, so their good drainage system helps to disperse the water quickly into the ocean. It helps to live on an island!

Thank you again for your faithful prayers and support. We are very grateful.

In Christ, Keith and Jeanette Cullers
