Dear Pastor & Church,

Thank the Lord we have been busy the last two months with being in a few mission conferences and reporting into some of our supporting churches.

We just finished up a four-day refresh and training week for all missionaries on deputation and those on furlough in person at Macedonia's campus. We were in some great classes taught by some of our field directors and the home office staff. What a blessing and encouragement it was to be in the classes and see old friends and make friends with the new missionaries just starting out! We had nightly services and enjoyed hearing some great messages of God's faithfulness on "Don't Loose Heart" brought by Pastor Jonathan Barker from Amazing Grace Baptist Church of Mt. Airy, North Carolina.

We are thankful for open doors to be in mission conferences and for bookings to report into our supporting churches. Please contact us by email or phone 770-697-5593 so that we can schedule a time to give in person updates and any special meetings or mission conferences that we can attend or help you with.

Thank you for your support as we continue to support our national pastors in Indonesia and hear from them at least monthly about how God is working in their ministries.

Love in Christ,

Stanley Ewing
