Missionaries to IDAHO

May and June 2026

Dear Churches, Pastors, and Friends,

May and June have been great here in Idaho. We celebrated Mother's Day, the end of the 25'-26' school year, Dawn's birthday and Father's Day! We have had so many new visitors including Dawn's uncle and aunt all the way from North Carolina! God has really blessed our nursing home ministry lately as well. One of the nurses at one of the homes began bringing us fresh eggs and building a friendship with us. One day she messaged Dawn and asked her to pray for a lady. About a week later, Dawn felt God wanted us to visit with this lady if possible, and she asked the nurse for contact info. The nurse immediately informed us that the lady actually wanted us to visit her, and so we went right away. The lady's name is Kate. Kate had a turn of events in her life that had her ready for a change. She shared much about these events and basically was begging us to tell her how to be saved. She had been complicating it, and after about 2 hours she GOT SAVED!!

We kicked off summer by attending a revival in Washington and then one here in Idaho. We also helped the new pastor of New Life Baptist Church move in. I even had the opportunity to preach in Montana. We took the boys to Silverwood to attend the youth meeting there, and we witnessed a young man get saved there as well! The Lord has really been moving and working here in Idaho!

In our last prayer letter, we made mention of a couple needs. I am overwhelmed by the family and church who donated to help us with these needs. I am happy to report we received what was needed to cover the new tires for our car and a new laptop that I was able to use to type up this prayer letter! When I took our car in for service, we got unexpected news that our four-wheel drive was failing, and the money we received was enough to cover this unexpected expense as well as a damaged camera that we wouldn't have been able to fix otherwise. I truly am blessed to be supported by such wonderful people and churches!

We have a couple prayer requests. Please help us pray for Dawn's uncle. They came through on their way to Alaska and attended services while here. We were informed that they plan to visit again as they pass through to head home to NC sometime in August. Dawn uncle's name is Kevin. Please pray for his salvation. Next, I have been asked to preach a VBS in Montana. Pray God will use us mightily to minister to this church and the children that will be in attendance. In August, we will be assisting one of the nursing homes we minister in with a community BBQ. We will be there to help them but also have been asked to provide a display of our church. We plan to have gospel tracts and Bibles to give away at this event. Finally at the end of August, we will be assisting New Life Baptist Church with VBS. Help us pray now for souls to be saved and lives to be changed through these many opportunities God has provided for us to serve HIM.

Once again, I thank each and every one of you for the prayers and financial support you give us.

May God richly bless you all,

Pastor Ray Godfrey
