## Serving as Assistant Director

**May-June 2026**

Dear Pastor and Fellow Laborers,

I pray this letter finds you all doing well and busy about our Father's business! He is coming soon! Amanda and I want to thank you for all your prayers and sacrificial financial support on our behalf. We are blessed to be partnering with you for the cause of Christ.

There are several pictures on the next page, so please take time to look at them. "A picture is worth a thousand words."

God has been so good, and we have seen the Lord do amazing things, not only in our lives, but also in the lives of others.

***Family News:*** In May, our two granddaughters turned 2 years old. We are also thrilled to announce that our son Noah and his dear wife are expecting another child. ***We will be welcoming another grandbaby to this world in October***. We are overjoyed for them. We were blessed in June to be able to see our son Luke, who was in town here for a short trip. It was wonderful to see him again. We only missed seeing his dear wife Reagan. Hopefully, we will get to see her soon. We ask that you pray for them, as Luke is going on a missions trip to the Philippines on August 2nd with his home church.

***Ministry News:*** In June, our ministry ramped back up where we were able to be a part of a Church Planting Conference hosted at Zion Hill Baptist Church in Greenville, SC. We were so blessed to be able to participate in that with two of our beloved MWBM missionaries, Brother Keith Shumaker and Brother James Ruckman.

Following that meeting, we held our 2026 Training Refresh Week here at the Macedonia headquarters. What a blessing that was with a great number of our missionaries here, both those on furlough and on deputation. Brother Jonathan Barker of Amazing Grace Baptist Church preached to our hearts each night, and our staff taught classes throughout the day. It was a wonderful time of encouragement, training, and fellowship. We are so thankful for our time together that week. The heart of my calling is to help get missionaries to the field and to help them stay on the field!

On the 25th of June, my Taekwondo for Christ team went to Sand Mountain Bible Camp in Trenton, GA to perform a demonstration for the Junior camp while my son Josh used the demo to preach a wonderful message on the "whole armor of God."

That next Sunday the 28th through July 2nd, I had the honor to preach the Word at Catoosa Baptist Tabernacle in Ringgold, GA for their 2026 VBS. What a blessing it was to see an average attendance of 294 each night. The church family came together and did a tremendous job all week. Many visitors heard the clear presentation of the Gospel, some for the first time. Please pray for their salvation.

We are also thankful to welcome two new missionary families to the Macedonia family: **the McClures, serving in the Mariana Islands of the South Pacific, and the Gorham family going to the Deaf of Peru and Spanish Speaking South** America. We praise the Lord for these two families.

It is a blessing to see the hand of God still at work! Please pray that we remain faithful to His calling.

We love you and we are so grateful for you!
