Missionary Church Planters to the Western US

To Our Wonderful Partners,

April-May 2026

What a time of year we are in! Everything is blooming, the sun is shining, and summer camp season is upon us. It's busy but bright, and I love that, compared to the dull and stormy skies of winter and spring. It's the same way I want to be in my Christian life, blooming and bright for Jesus! The Bible tells us in Ephesians 4:15 to "grow up into him in ALL things"; if we'll bloom for Christ, His light will shine through us!

The last two months were slower but picked up in mid-May. Our travels kept us mainly in the Alabama/ Georgia area but also took us to Tennessee and South Carolina. These meetings were much needed with helpful messages and the training we were involved in. The Lord provided us with good gospel conversations with people along the way. We've picked up at least three new supporters, with about 4 more we are waiting to hear back from. In April, we were able to attend Orientation Training with our mission board, and this past week we just finished up with some veteran missionaries in the "School of Church Planting" in South Carolina. It was such a blessing to hear from such experienced and giving missionaries. Getting to fellowship with the other families is always good as God grows the camaraderie closer!

As of writing this letter, we are getting ready to head to North Carolina for some meetings before heading back to Alabama/Georgia, enjoying Refresh Week with our mission board, and then off to Arkansas and out to South Dakota for youth camp! We praise the Lord that currently we are sitting right around 35% of our needed support. What a good God we serve!

Continue to pray for the lost souls of South Dakota and Nebraska, as well as the Lord's favor in getting there by next summer. No matter what, we trust Him and know HE has it all under control. Finally, we do covet your prayers for a small vehicle to help us make it back and forth to meetings as well as a special unspoken. With the rising cost of diesel, we believe that this is the best route for us going forward.

Thank you all so much for every prayer lifted up, every encouraging word, and every dollar given. We couldn't do what we do without you.
