JULY 2026

HILL FAMILY TO IDAHO

Catching Up

First, I must apologize for my delay in sending out our last prayer letter.

In May, I began having some heart trouble which lead to a serious cardiac event for which I was briefly in the hospital. I am doing better now and am following up with a cardiologist as I am recovering and trying to find the cause.

Of course, this happens in the middle of God doing so many great things. Since the first of the year our Church has so many new and now returning visitors that we are back into construction mode to expand our auditorium (plan rendering pictured below). We have seen several days over 100 for our little Church with many acknowledging their need to be saved. Would you please pray for us as we continue to evangelize and disciple these that need to trust Christ and those who have recently accepted Him as their Saviour.

In June, we had our summer revival with Dr. John Goetsch; and on July 5th, we will have our Freedom Sunday celebrating America and our 5th Anniversary as a Church with our sending pastor Lloyd Read. We are so thankful for the over 30 people who have been saved and baptized at Freedom over the last 5 years, and we are praying, with your help, we will continue to see many more in the days ahead. We truly appreciate your prayers and support.
