Dear Co-Labourers,

I hope you are rejoicing in God's blessings. As I look through the book of Psalms, I see so much about praise in Psalms 147-150. But in Psalm 148:2-3 (KJV), "Praise ye him, all his angels: praise ye him, all his hosts. Praise ye him, sun and moon: praise him, all ye stars of light." Here in verse 2 the angels praise Him, and in verse 3 the sun and moon praise Him. If the angels and sun and moon will praise our Saviour, we should also.

I just want to praise the Lord for all he has done for Sister Hutchens and me these past months. Even though there has been a lot of trials and doctor appointments, there have been blessings. I spent 24 hours in the hospital because my potassium had dropped too low. I was released on Saturday and then preached on Sunday. Being 80 and soon 81, I have no plans to slow down or quit. There is still too much work to be done and too many lost souls to reach. We are planning to head West in July to visit supporting churches. Please pray with us about this trip.

Let me give you an update on the relief effort in Jamaica. I have been staying in touch with Pastor Mason in Spanish Town and some of the other pastors. The rebuilding is still going on. Most of the churches we were able to help are very small groups of 20 to 35 people. These are also mountain churches. The building supplies are there, but they cannot afford to buy them. I am still trying to help when I can. Please pray for Jamaica. Any help would be a blessing. As before, this needs to be sent to Macedonia World Baptist Missions designated for Wesley Hutchens Jamaica Hurricane Relief. I hope you enjoyed seeing just a little of what is going on in the DVD that I sent out. If you have questions, please feel free to call me at 678-622-0835.

I also would like to thank you for your prayers and support and for the blessing you have been to the Hutchens.

Because He Cares,

Rev. Wesley Hutchens
