Dear Pastor and praying friends,

Ps. 86:5, "For thou, Lord, art good, and ready to forgive; and plenteous in mercy unto all them that call upon thee."

Just look at the verse! I can't tell you which part of it that I love the most. I sure like that part "ready to forgive." To quote a few songs, "Oh what a Saviour is mine, Come unto Him and he will give you rest, Life Is worth the living, just because He lives!" We sure have a lot to sing about!!

We are doing well physically, and we thank the Lord for that. I mentioned in our last letter that I was going to be having skin cancer surgery on my face and had asked for your prayers. Thank you for praying. They were able to get all the roots of it, and I'm thankful for that. Some have said they think the scar it left might be an improvement on my face, j/k. I am thankful the Lord blessed in it all.

I am grateful that the Lord continues to give open doors to preach in both English speaking churches and Hispanic churches as well. What an honor it is to have pastors ask us to stand in their pulpits to encourage their people and to preach the Word. We do have open dates if anyone should want us to come and do our best to be a blessing, help, and encouragement to your church.

Travel Times

Thank you for your prayers for our trip to Mexico. The Lord greatly blessed, and we give Him all the glory. We had over 400 in the anniversary service at the church in Atlacomulco; they even had a monitor and speaker in the patio for the ones that couldn't fit in the building.

Printshop News

We thank the Lord for His blessing and for helping us to continue to print the salvation message to send around the world. We recently printed over 20,000 tracts to send to Mexico (Spanish) and Honduras (Miskito dialect). That is not an extremely large order, but just think as you pray, twenty thousand souls! Pray God will use them to touch hearts and save souls.

One other thing I wanted to share. We have a family on deputation going to Mexico that need a 15 passenger van. They have one now, but it is high mileage and having a lot of mechanical problems. If you know of a possibility to help them, please contact me. Thank you.

Thank you so much for all you do for missions.
God bless and use all of you,

Fred A. Kindhart
