THE LANE FAMILY
MISSIONARIES IN
NEW MEXICO

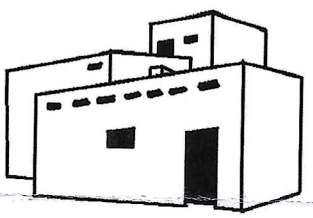
Dear Prayer Partners,

April—June 2026

Hello from New Mexico! I pray this letter finds you doing well and the Lord is blessing you till you just can't stand it! Thank God for being busy!

DISCIPLESHIP, FULL STEAM AHEAD!!!

I mentioned in our last letter that we have been experiencing some growth of late. I want to say "Praise the Lord, He's still at it!" We've been praying for others to be saved. The Lord has been busy. We have seen several new faces come through our doors over the past few months. We pray for Sean. He is a self-proclaimed backslidden Christian. He's been coming more faithfully. This past Sunday he brought his girlfriend, Cailee. We'd been praying for Jairo to return. He came to our first popcorn preaching three months ago and got his wagon loaded. This past Sunday night, he came to me after the service and said, "Preacher, you said if anybody wants to talk to you about getting born-again they need to see you after the service. What did you mean by that?" Jairo got saved after the service was over. Julian has been coming semi-faithfully. He has been working at cultivating good church going habits into his life. The enemy is working hard to derail our young people. He stood in the pulpit and gave his testimony at our last popcorn preaching. Please pray for Julian's little sister, Leah. She has attended one service. She needs to be saved. They come from a religious family. The whole lot of them need to be born-again. JJ and Bridget are hit and miss but continue to come. These and several others need to follow the Lord in believer's baptism. These are a few of the folks that have been coming recently. Zim and Alexis are enrolled in our Bible College. They are currently praying about stepping into a children's Sunday School class. God is working in and through our young adults. They are steadily growing and beginning to produce fruit on their own account. We pray each week for those that have been saved and baptized to finish up their discipleship classes and get plugged into the work. We need all the help we can get. We are praying for the Lord to raise up laborers. Pray for our son, Joshua, as he continues to pray about the Lord's will for his life. He continues to be faithful to the Lord. We know God has big plans for his life.



LADIES PRAYER BREAKFAST

Two months ago, the new ladies in the church went to my wife, Amanda, and asked her if they could start having a monthly prayer breakfast. Of course Amanda was chomping at the bit to get something started. The first month, they had three show up. The second month, they had four. The ladies are growing and this gives Amanda an opportunity to teach the women in the church. She has a lot of experience and they all seem to look up to her. Several of the other women in the church who have been working on Saturdays have expressed their interest in attending also. Please pray for their group to grow. The Lord really wants to use them in a mighty way.

OUR MISSIONARIES COME IN TO VISIT

The work here is actively supporting eight missionaries around the globe. No surprise there. What you may not know is that we have sent out a couple through our church here. They are currently serving in Old Mexico. The Garzas came in for a visit this past April. We had a couple weeks to spend with them and enjoy some sweet fellowship. They brought us a report from their two works in Mexico. They are busily serving the Lord in our home state of Durango. Their report refreshed us as we heard of how the churches are prospering there. Please continue to pray for the works that we started in Mexico years ago. The cartels in our state are working overtime trying to destroy the work of God. Some churches have been killed off entirely while the cartels place a "cartel preacher" into the pulpit. They then use the church as a front to hide their illegal activity. This is becoming more and more common.

Thank you so much for your prayers and support of the ministry the Lord has called us to. We could not do what we do without you. Lord bless you as we labor for souls!
