SENDING THE LIGHT

to Iceland

Alexander & Sheree Izabella, Nickoli, & Melody

2nd Quarter 2026

Dear Pastors and Friends,

Hello again! We want to begin this letter by saying thank you to everyone who has partnered with us financially and prayerfully as we seek to reach Iceland with the wonderful gospel of Jesus Christ. It has been a very exciting quarter as we have continued on deputation. We have been in many wonderful meetings and have been able to see the Lord work in our lives and in the lives of the churches we have visited. We are very happy and excited to share that we are now 90% supported and getting very close to finishing this major step of deputation. Praise the Lord! We can only thank Him for every milestone we reach, and this is a big one. We are still on track to reach 100% support in the third quarter of this year. We are finalizing many things and working very hard to achieve this goal.

While deputation has been a long journey thus far, we have grown tremendously throughout this time. We have been able to meet and partner with so many of you, and we have made lasting relationships that will be a major encouragement to us on the field and during our time in Iceland. You all have already played a major role in reaching Iceland. We do ask that you continue to pray for us as we finish our time traveling on the road. We only need a few more churches willing to support our ministry for the glory of God, as well as many more prayer warriors willing to go to the Lord on our behalf.

The Lord, through the gracious giving of many of you, has also provided toward our moving expenses. We are currently at 60% of this goal. This is a major need for us, as we will not be able to leave until this fund reaches 100%. There are several reasons for this. Once we arrive in Iceland, we will need to purchase a vehicle with cash, as we are not allowed to receive a loan in the country until we have lived there for three years. We are looking at purchasing a nine-passenger van, which would also allow us to help transport people to church if needed. In addition, we will have shipping costs, as Iceland is a very expensive country, and we plan to take as much with us as possible, including shipping a container. We will also need funds for housing, which requires a large upfront cost, as well as language school when we arrive. We are getting very close, and we know the Lord is able to meet all of our needs (2nd Corinthians 9:8). If you would like to give towards this, please send to MWBM for Alexander Larson memo line 06.

Thank you again for all the prayers and support thus far. Please continue to pray that we can receive the remainder of our supporting churches, meet our moving-expense goal, and continue to pray for our children during this transition.

Sincerely,
The Larsons to Iceland
