Greetings from MGPI print shop,

Once again we want to say hello and a big thank you to all the pastors and churches that pray for us and help support us financially. You are having a part in helping us share the Gospel around the world through the printed page.

I want to share a glimpse into some of what your help is doing. You help with the day to day expenses that we face, and even though these things seems mundane, providing these daily things is a means of rejoicing. It allows us to print tracts and door hangers for other churches and missionaries, but we want to show you a recent order of 20,000 tracts that are going to two different missionaries. One is in a very remote area of Honduras, and the other is in the huge city of Mexico City. With your prayers and financial help, these tracts will end up in the hands of souls we will never see this side of eternity. Our prayer is they will end up in the hearts of many souls, and thereby, we can see them in heaven one day. One of these tracts is in Spanish that some of you might be able to read; the other one is in the Miskito language that none of us can read, but we can print them, pray over them, and get them to the missionaries that can put them in the hands of a people group that will cherish and read them more than one time. Here is a picture of the front of those tracts.

We do hope that sharing this will encourage you in all that you do for the Lord and for our ministry here. Your prayers and support are making a difference. Continue to support us and other missionaries, knowing that together we are getting out the message that Jesus saves!

If you need any good Gospel tracts or door hangers with your church information and the message of salvation, we would be honored to help you with them.

I believe I closed out the last letter saying this, but we want to say it again. We can't thank you enough for all you do. You are a vital part of what the Lord is doing through Macedonia Gospel Publications.
