Quarterly Newsletter

August 2026

Greetings from the Home Office of Macedonia World Baptist Missions. The Lord has blessed us with a wonderful summer quarter. We have seen specific answers to prayers over the past few months, and for that, we rejoice and give thanks to the Lord for His blessings. We want to share some of these blessings with you.

New Missionaries

We pray regularly for more labourers, as we know the need is so very great. The Lord has blessed, and we have recently approved three new missionary families. We are thrilled to welcome to Macedonia the McClure family, missionaries to Micronesia, the Gorham family, missionaries to the deaf in Peru, and the Hector family, missionary helps, to Macedonia. We look forward to seeing how the Lord will use these families in the days ahead. We already have a scheduled time of orientation training with them in our Missionary Training Center. This is a time to help prepare them for deputation. We are trusting the Lord to raise their support and get them to the field soon.

We also have more applications we are currently processing. We look forward to seeing how the Lord will guide us through that process.

Refresh Week 2026

In our last letter, we mentioned our upcoming Refresh Week. Refresh Week was held June 22-25. We gathered in our Training Center for a time of fellowship, encouragement, instruction, and challenge from the Word of God. We had a record number of families with us for the week. The classes, sessions, and evening services were used by God to do everything we prayed for and more. Dr. Jonathan Barker was used of God to preach to us each evening. We have included a group picture from our closing cookout on Thursday afternoon.

Training Center Roof Project

In our last letter, we asked you to help us pray regarding the roof on our Missionary Heritage Training Center. We are thrilled to share with you that God provided everything we needed to have the roof repaired. We were able to get this done before our Refresh Week. It is always exciting to see God meet our needs.

Thank You

Thank you for your faithful prayers and support for our Home Office and staff. Your partnership in the ministry is a great blessing to us. Your faithfulness makes a difference in the lives of all of our Macedonia missionary families. Thank you for being part of reaching the world with the Gospel.
