CARRYING THE LIGHT TO THE
Northern Mariana Islands

Macedonia World Baptist Missions, Inc.

3RD GENERATION BAPTIST MISSIONARIES

May-June 2026 Prayer Letter

Dear Praying Friends & Church,

Happy 250th Independence Day!!! Wow, America is still a great nation, and I am very thankful that there are still many good Bible believing, preaching churches in America who are using the opportunities to be a witness by the means at their disposal. God is good, Jesus is still the only means of Salvation, and the Holy Spirit is still in the Saving business. We have had the privilege to go door to door with several churches and even "Soul Patrol" or soul-winning with others. We have participated in seeing others get saved, and it is such a joy to see God continuing to work here in America as He also works in & through missionaries around the world.

Bible Study with flashlight

Thank you all for the prayers for Saipan and the recovery efforts. Most of the island has water, and about 60%-70% of the island has electricity restored, which, sadly, does not include our part of the island. The donations that have been given towards the solar generator and tools to help with the recovery have been a tremendous blessing. Praise the Lord. Most of the tools, fans, and lights have arrived on the island and are being used to aid the ministry through cooling off services and providing lights for evening Bible studies. Thank you so much for the prayers and gifts. God is so good.

Supplies Received

Outreach

Over the last 2 months we have traveled over 7,600 miles, been in 15 churches, 3 missions conferences, packed a container with tracts & Bibles bound for the Philippines, and attended 2 weddings, 1 VBS, and 1 graduation. God has kept us safe on the roads and healthy. We appreciate the continued prayers for safety. We are nearing our last few months on furlough, and it is so amazing to see how God is putting us where we need to be, and when I have a date that is cancelled or cannot be filled, it is because God has something else planned. I am still amazed at how beautifully God orchestrates our lives for His glory as Romans 8:28 says.

Additionally, God has been leading our family toward a big decision. World Baptist Fellowship has been our mission agency for the past 10 years, and they have been a help and blessing for many years to my grandparents, parents and now us; however, the Lord has led us away from them, and with the help of my pastor, we are now happy to announce that my home church, New Testament Baptist Church & I have partnered with Macedonia World Baptist Missions located in Braselton, Georgia.

Please note that our support address has changed! You can find it below.

Through much prayer and godly counsel, we are very pleased to see how God has been putting everything in place. Finally, thank you all for laboring in prayer with us regarding our church getting a passenger van. The Lord has provided 2 vans on the field for use of picking up families, and though they do need a little work, like the a/c, this is a big answer to prayer. We are so blessed.

Gratefully Serving Our Lord,
Joshua McClure Family

New Testament
BAPTIST
Church
OF ARLINGTON

July 8, 2026

Dear Pastor,

This is to inform you that Joshua and Amanda McClure have made a change. They are still members of the New Testament Baptist Church of Arlington, and I am still their pastor. Our church continues to support them financially, and in every other way that we can assist. Their mission has not changed, their vision for Saipan, or their dedication to God's work there. Nothing has changed in that regard.

However, their financial support should now be sent through "Macedonia World Baptist Missions, Inc." Their address is P.O. Box 519 - Braselton, GA. 30517.

Any questions that you may have please feel free to call Joshua @ 254-206-1639, and he will answer them for you.

Once again, our church continues to love and support Joshua and Amanda in their efforts. We're thankful to be their sending church.

With Christian Regards.

David Bryant, Pastor

Macedonia WORLD BAPTIST MISSIONS, Inc.

Assisting the local church and the missionary in reaching the world with the Gospel

July 7, 2026

Re: The Josh McClure Family

Dear Pastor and Church family,

It is a great joy to be writing this letter to you today. This past month the Executive Board of Macedonia World Baptist Missions was blessed to accept the McClure family as missionaries with our Mission. They will be continuing to serve as church planting missionaries in the Northern Mariana Islands.

We praise the Lord for this wonderful addition to the Macedonia family, and we know that God will use them in a mighty way there in the Islands. It is a blessing to see their love for Christ and for the precious souls of those Islands.

We will work hand in hand with World Baptist Fellowship to make this transition as seamless as possible for the McClure family. You may begin even now to transition your support checks to:

MWBM Inc. P.O. Box 519, Braselton, GA 30517 (designated McClure Family),
or through our online donation platform: mwbm.org/onlinegiving/

We pray that you will continue to support the McClure family and their ministry. We are certain that they are worthy of the eternal investment you will make through them for the souls of men, ladies, boys, and girls in their field of calling.

If you have any questions, please feel free to contact me here at the office.

Again, we thank you and praise the Lord for all you do for the cause of Christ and His harvest fields!

Sincerely,

Jason M. Hamby
Assistant Director
