

# MAY-JULY 2026

Dear Co-laborers' in Christ:

As I am writing this letter we are getting ready to leave for Brazil for 90 days. We will leave the 8th of July and return October 15th, to the States. I will be preaching meetings in all ten of our churches while we are there. Our son Jonathan is bringing his entire family down for two weeks, which will be a blessing for us and the people. He is at about 34% of his support and is on full-time deputation now. Please pray about supporting him. Dr. Scott Caudill and his wife Cassie are also coming down for a week. We are looking for a great time while they are there. He will be preaching in two of our churches and, hopefully, getting to see a few of the other ones. Pray for their trip.

Our churches are doing well. We would love to see revival and as a result see more souls saved. Construction of the fourth church is going well. We have the plans approved on the tenth church in Cassia, Minas Gerais, but no funds to build. We have land, but we need about $100,000 to build the building. The government in Brazil does not let churches borrow money for building. We are praying the Lord will provide the monies soon so they can build and get out of rent.

We praise the Lord for 49 years of serving with MWBM and 55 years of marriage to my wonderful wife. God has been so good to me and my family. All are saved and serving the Lord in His vineyard. We complain a lot to the Lord, but His love is so great and His blessings are so bountiful. THANK YOU FOR YOUR FAITHFUL SUPPORT IN PRAYERS AND MONIES. It takes both to get the job done. Thanks to the churches and individuals that have helped us in our trip to Brazil to preach His gospel. A SPECIAL THANKS to our home church Brooklyn Baptist Church for a great offering. We love you all!

We are listening for the shout and the call to come up hither. This world is not our home! We are headed to a land that is fairer than day! Keep looking up!

In His Service,

Dr. Robert Smith
