Greetings in Jesus' Name,

Greetings in Jesus' Name from old Mexico. The good news is that people are accepting Jesus as their Savior and we see our folks growing in the Lord. As our folks grow and understand that our enemy is not each other but the Evil One, Satan, understanding and compassion starts to grow and love and concern for the lost and for our brothers and sisters that have walked away from a daily walk with Jesus. It is easy to criticize and find fault but to endeavoring to be a peacemaker and to draw alongside a struggling Christain and encourage them to live and walk with the Lord Jesus is so much needed!

I am wanting to purchase a battery operated/electric three wheel bike with 2 seats to do my visiting out in the surrounding villages. If the Lord nudges your heart to help me buy it, I'd much appreciate it! Cost ranges between $350.00 up to $500.00.depending on basic model or one with better seating and the such like.

I've started encouraging our men and young men to participate in our Wednesday night services. Thus far 3 have volunteered and have done well and the same 3 have gained more confidence and have volunteered to stand and deliver a short message. Tim's middle son has offered to speak on a Sunday evening service. It thrills my soul to see our young men willing to be involved.

Again, I ask for your prayer for our oldest son, Tony. He's had one leg amputated and his Dr is doubtful if his other leg can be saved. Do ask Jesus to remove the infection and restore his leg fully normal again. As yet, we've not been able to get away to visit him in Abilene, TX.
