June 2026

Dear brethren,

It brings us great joy to write this ministry letter and share with you what God is doing in our ministry among the Hispanic community here in Atlanta, Georgia. We are grateful for your love, prayers, and friendship.

May

This was a very busy month at the church, yet one filled with great blessing and encouragement. We held the AWANA closing ceremony—a ministry that has brought us so much joy. Many of the young people currently in our church came up through this program, where they learned to memorize Scripture—something that has borne fruit in their lives. This year, ten children are graduating from AWANA to join the youth classes; we recognized each child for their effort and faithfulness.

We also held a church outing—a wonderful time of fellowship, laughter, and making memories. Most importantly, during this outing, we were able to baptize three believers; we thank God for those who obey His Word. In total, we have already baptized five people this year.

Additionally, we held a special service to celebrate eight young people graduating from high school and two completing their university degrees. Their families and parents attended this celebration, giving us the opportunity to share the message of Salvation with them.

June

Every Saturday, we go out door-to-door with a group of 30 people to proclaim the Good News and distribute tracts explaining the plan of Salvation. We visited two neighborhoods near the church, inviting local children and providing Bible teaching, games, and food, right there in their neighborhood, while encouraging them to attend church.

We also held our Vacation Bible School; children came to faith in Christ, and the church worked together as a team for the event. As a result, five children have begun attending church on Sundays—please pray that they remain faithful. We also hold a special service for the church's youth on Fridays, including biblical discipleship classes; thanks to our beloved Savior, we have a faithful group attending. We want the next generation to grow and stand firm in their faith, so I earnestly ask for your prayers for the leaders and for more young people to surrender their lives to Christ.

Beloved brethren, I also ask for your prayers that God may open doors and provide the means for us to preach and proclaim the Gospel in other areas of Georgia. We have a strong desire to start new Hispanic churches; the need is great everywhere, and Christ is the only answer for our society.

Thank you, my beloved brothers and sisters, for taking the time to read this letter. I hope it brings you encouragement and joy to see what God is doing in our ministry, and I encourage you not to grow weary but to remain faithful. God bless you.
