Dear Praying Friends,

We started out at the beginning of June, visiting our missionaries in Colorado, the Angel family. We enjoyed some good services with them and door-knocking through their town. However, while we were in Colorado, we were rear-ended in our car by a pickup truck. We were all unharmed, but unfortunately, the insurance determined the car was a total loss. This was our tow car that was set up to tow behind our RV. The Lord directed us toward another vehicle that was similar to the one we had, and it was already set up to be a tow car! Praise the Lord for direction, guidance, and provision during the whole situation!

In June, we participated in Macedonia's Refresh Week at the home office in Georgia. This was truly a refreshing week and a time of encouragement and strengthening! Both Jennifer and I taught a class during the week. We appreciate all that our mission board does to train and support their missionaries!

Right after Refresh Week, we headed to North Dakota to help the Sheridan family. A church group from Georgia also came up to help with their VBS. We helped build a float for the 4th of July parade, passed out Bibles, and served hot dogs. Later, while visiting for VBS, a precious grandmother got saved. We were able to take eight of her grandchildren to VBS. We had several young people saved during VBS! Praise the Lord! We pray that they will continue to come to church and grow in the Lord!

Also, while in North Dakota, the washer/dryer combo machine in our RV finally died. We had been trying to keep it running for a while. The Turtle Mountain Baptist Church took up a special love offering, and we were able to get a new machine! Praise the Lord!

One last important update: Please note that our new sending church is Currytown Baptist Church under Pastor Mike McDaniel. We had been praying about this situation for a while and our former sending pastor also agreed that it would be better for us to have a different sending church that could be more of a support for us. Currytown has been one of our supporting churches since before we went to Washington State. They have been a huge help to us while we were on furlough and now in this new ministry role. This change was approved by our former pastor, Currytown Baptist Church, and our mission board.

The Lord has been so good to us! We have seen His providence and provision over and over this summer! Thank you for your faithful prayers for our family and ministry! We truly appreciate each one of you for "holding the ropes" for our ministry! May the Lord richly bless you all as you serve Him!

In Christ,

Tim, Jennifer, Jason, & Layla Wall
