And he said unto them, Let us go into the next towns, that I may preach there also: for therefore came I forth. Mark 1:38

July 2026

Dear Praying Friends,

I want to begin by thanking each of you for your prayers during the past couple of months as we have made the transition from South Dakota to Wyoming. It was a much more difficult transition than we have expected, but the LORD has been good to supply every need and help us through every hurdle along the way. Things got off to a rocky start because within the first 6 weeks I had both trustees resign and leave the church. It was disappointing but not discouraging as I know the LORD is the one who has brought me here and will guide us in the rescue and rebuilding process. At present, we have 12 members not counting my family. We have had visitors on several Sundays, but only a couple have returned for a second and third visit.

When I first started here in Buffalo, they were only having Sunday School and Sunday Morning service. In June, we began our Wednesday evening service, and this past Sunday, we began having Sunday evening service. The people are excited about having a full schedule of services, and I hope they will be faithful to attend. We have also started having monthly prayer breakfasts with the men and Saturday tea for the ladies.

Our location has changed, but our mission is still the same. Even though we have taken on the project to rescue Buffalo Baptist Church, we have not abandoned our goal of reaching small towns in the rural West. Our hope is that once we finally get settled in our new hometown that we can once again reach the small towns of the rural West.

We are excited to announce that our son Noah has surrendered to preach and will be working with the youth here in Buffalo while seeking direction from the LORD.

Please pray that we will be able to get our house ready to sell and that once we put it on the market it will sell quickly.

In Christ,

Benji Beaudoin
