MUSCOTT

GUYANA

Dearest Church Family, August I3th, 2026

MASS GRAVES: The MV Barima tragedy (See last letter), as with America at 9.II.0I, demanded national attention and temporarily softened the hearts of the people here. As most of the survivors and victims alike were from our region, I spent over a week meeting grieving family members at the airstrip, comforting them as we received bodies daily by boat and plane, and then conducting individual graveside funerals. Little plywood boxes, quickly made above ground tombs, the stench of death, and dogs everywhere... there is just no way to describe the horror and grief of this scene. But in the darkness of this hour, the Lord gave great opportunities for His Light to shine ever so brightly. I was chosen to be the main speaker for two regional memorial services. In each, the gospel of Christ was preached to hundreds of people.

INDIGENOUS VBS: In the past, our Bible School has generally been planned and executed by teams from the States with the help of the nationals. Although this is a great blessing, God has burdened my heart for our church members to take ownership and responsibility for their own church. Aside from two visitors (Which we greatly appreciate), our VBS was fully planned, manned, and financially supported by the members of Lighthouse Baptist Church! They all joyfully rose to the occasion, embraced their roles, and made THEIR VBS a success! Then, we took our VBS to another village the next week. Praise the Lord for six souls saved!

FAMILY MATTERS: Haylee is doing a wonderful job making our house into a home. She started school with Sabina this week and so far, Sabina loves it. She also enjoys riding her new purple bike. James... well, he is just getting fat and wild.

COMING UP: Next week, we will take nine of our teenagers to camp. Please pray for God to do a miracle in their hearts, and for lasting fruit in their lives.

Your Servants in Christ,
Blake, Haylee, Sabina, & James
