the YOUNG FAMILY

CHURCH PLANTING MISSIONARIES TO

MEXICO

Dear Prayer Warriors and Supporters, **July 2026**

The month of July has been very exciting for our family! We started the month in Las Vegas, Nevada, where we had the privilege of visiting one of our supporting churches as well as a couple of other churches in the area. It is always encouraging to see how God is working in different parts of America and to fellowship with believers who have a heart for missions.

From there, we traveled to Junction City, Kansas, where we had the opportunity to present our burden and calling to the people of Calvary Baptist Church, and another church in the area. We then made our way to Hillsboro, Texas, where I had the privilege of presenting our ministry and preaching at Bible Baptist Church. We finished the month off at Clearbrook Baptist Church in Roanoke, VA.

Although this month was filled with many miles and long hours on the road, we can look back and clearly see God's faithful hand directing every step. He has continually led us to the churches where He would have us be, and we are grateful for His guidance throughout this deputation journey.

We are also excited to share that we are now at **40% of our needed support** to get to Mexico! We are incredibly thankful for each church that has chosen to partner with us. We could not do what God has called us to do without the faithful support and prayers of local churches. Your partnership is a tremendous blessing and an encouragement to our family.

As we continue traveling, please pray that God will continue to open doors, provide the remaining support we need, and keep our family safe on the road. Our desire is to be in Mexico by next summer, but above all, we want to follow the Lord's perfect timing. We know His plan is always best.

Thank you for your faithful prayers, encouragement, and support. We are humbled by your investment in the work God has called us to do, and we look forward to sharing all that He continues to accomplish.

With much gratitude,

The Young Family
