YOUR MISSIONARIES TO

HAITI

September 2026

Greetings from Haiti,

A note this morning to let you know we are doing well and getting ready for the start of the school year. Tikene is very busy sewing all of the girls' uniforms this year, and we will use our usual tailor for the boys' uniforms. With 25 students in total, it is a lot of uniforms!

Sarah has taken her Philo exam. My, how time flies! Please keep Rosie in your prayers. She missed a significant amount of school this year due to an illness with typhoid fever and did not pass her government exam. Consequently, Rosie will have to repeat the 8th grade. She has accepted this beautifully and is determined to work extra hard. We know God has a reason for everything that happens in our lives, and she fully understands that. Bless her heart.

This last week Pastor Zizi and his church had their annual revival and conference. It is always a special time. Later this month, Pastor Franck will be having theirs. Please keep them in your prayers. Praise the Lord for their faithfulness.

God has blessed our church family so much here in the mountains. Dieubon and Mme Dieubon sang their first special together on Sunday, "He Is A Wonderful Savior To Me." It was beautiful, and my, what a blessing! Their family, Frè and Mme Noé, TiPlime and Sè Ambrose are such an encouragement. They walk across that mountain so faithfully each Sunday. We have also been blessed with a friend of Noé's who comes from the other mountain across from us. He plays the piano so beautifully. After school starts each Saturday, he will be giving piano lessons to Gary, Marvens, Daphna, and Tikene. Talk about excited!! They need something special!! Thank you, Lord.

Please remember us in your prayers for our safety, renewal of my passport, and that we will always be faithful serving God. I also ask for your prayers for Haiti and its people. They so need the Lord Jesus Christ as their Savior.

Thank you for your love, prayers, support and the special things you do for us. May God give you all a very special blessing today.

Under His Wings,
Connie Anderson
