Dear Praying Friends and Supporters,

The Bible declares in John 1:5 that the darkness did not comprehend the light, then the very next verse gives God's remedy in sending a preacher. PRAISE GOD FOR THE GOD CALLED, GOD SENT, HOLY GHOST FILLED PREACHER!! We are humbled that God is allowing us to reach some precious souls with the light of the gospel. The religious world is ever evolving to enslave and trap people to promote their agendas, but thanks be to God by his grace we are not removing the old landmarks that have brought us safe this far.

The tent meeting went well with a lot of people putting in a lot of hard work. We thank the Lord for the family that allowed the tent to be set up on their property. Dustin was a young man from that family that got saved on the last day of the meeting. That is worth every bit of labor to see God move in and bring another one into the fold!! Be praying for next year as we will try and use the tent in Parker, CO. The Wall family was able to visit with us for a few days and totaled their car while they were here. We did get a new prospect though from the person who ran into them. Pray for safe travels especially when they visit Colorado!

We have already had a productive summer, but we are looking for God to do even more in the days ahead. As we visit, stand on the street corner, and talk to people we meet, people are seeing a difference between what the Bible declares and the religious rhetoric they have heard. Justin and Veronica are a couple that have been coming regularly and asking questions after services. Pray for Veronica as she has some health issues. Many we talk to have seen us in our meeting place at the Parker Fieldhouse. They comment, "So that's you in there. We will have to come and see you." We praise the Lord for the nice facility to meet in for services.

Thank you for praying for the ministry and our family. John came through surgery and a few weeks of therapy successfully. We had to help John on the platform, but he was able to play and sing with us under the tent. No doubt this has been the most challenging months of their life, yet God has shown his mercy new every morning!! Pray for growth both physically and spiritually for the church plant.

"All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen." **Titus 3:5**
