
July and August 2026

Dear Pastor and congregation,

First, I want to thank you all for your continued prayers for us and for the souls in Italy. I also want to thank our faithful supporters and all the churches and pastors that have blessed us with the opportunity to come and share our burden for Italy.

We were greatly blessed to have a lot of meetings close by our home church in the month of July and to spend much needed time with our pastor and church family. The Lord blessed us by allowing us to partake in our church's VBS this year, and we had a wonderful time as always. The hardest part of deputation so far has been not being able to attend our home church. It helps to keep in mind that we are not leaving but rather are being sent.

We have seen the Lord provide miraculously in the last couple of months. Several needs that we had were taken care of by very kind and generous people. Our car, a new set of tires, and a new computer have all been completely paid for by God's people. I want to thank every one of you who gave.

The journey towards Italian citizenship continues, and we have seen the Lord work in a mighty way. The law had been changed in Italy forcing us to have to get my father-in-law's citizenship before we could get Hannah's, which would have taken much longer and been a lot more expensive. But they have just overturned that law, meaning we can go straight to Hannah's citizenship. We have acquired almost all the documents needed and will begin getting them translated and apostilled soon. Please pray that it all works out smoothly.

Please continue to pray for Bro. Fausto and his family as they serve the Lord in Foggia. There were several lost souls coming out to the church that have stopped coming. Please pray they will be saved. Please pray for Bro. Salvador and his family. This is a man and his family who live a few hours south of Foggia. They are saved and want to plant churches in Italy. They have no good church in their area, and they are hoping to move to Foggia soon so that they can help out and learn from Bro. Fausto. He is going up to Foggia in October to search for a job. Please pray the Lord will provide what they need.

We have reached a little over 30% of our needed support. Please pray that we will continue to raise our support quickly. Thank you to all our new supporting churches and all of you who pray for us on a regular basis! We could not do what God has called us to do without you!

May the Lord richly bless you all,

T. Jay & Hannah Bing
