Missionaries to South Korea

September 3, 2026

Dear praying friends,

We have had a busy, but exciting, summer! During this time, I was able to serve in various capacities for which I am very thankful. In July, we had our Vacation Bible School at Maranatha Baptist Church. I had the blessing of preaching to the children through a translator in the main service on the second night. I preached on the plan of salvation that He willingly offered to all of us while using the story of Noah as an example of God's perfect care. I also had a major part as the "Evil Doctor" in the skits that we performed each of the three nights. Though skeptical of my own ability, I found it to be a fun and helpful challenge to memorize and naturally say the lines in Korean. We are thankful to have had a part in the 10 souls that were saved that week.

During this time, a few ladies with an interest in missions in South Korea came to help serve during VBS at the invitation of Bro. David Im. We enjoyed the fellowship and opportunity to communicate freely in English during this time. It also opened up an opportunity to interpret during one of the morning services at family camp the very next week. Please do not overestimate my ability – I was thankfully able to translate the sermon into English ahead of time and follow the sermon notes as the pastor preached, making it significantly easier.

We have been facing a little bit of sickness recently that changed our schedules some. Both of the boys got hand foot and mouth, keeping some of the family home from camp. Thankfully, Madison did not catch it, but it did ground us at home for about 2 full weeks. We have also cut the time that the boys are at the daycare in half so that we can both spend more time with them and be able to more directly train them. We find it very important that during this stressful time when they are picking up a second language they learn good manners and basic Bible truths until they reach a better understanding of what is taught to them in Korean.

I appreciate those who have been praying for wisdom as I look for a new language teacher. Originally, I expected to have about a month to find a replacement before my teacher begins college, but she has opted to start in the spring semester instead. This allows me until early January at the latest to continue without any changes to how I learn. We all have felt a definite improvement in our ability to communicate, and even the boys have started speaking a lot! Please pray that God will touch our minds and tongues to be used greatly for Him.

Serving the Lord,

Brian, Kaitlyn, Nathan, Logan, and Madison Delaney
