Dear Pastor & Church,

We have not been very busy these hot summer months other than trying to stay cool. Praying we will be busy as more folks finish their vacations and churches will have more mission meetings now that school has started back.

Special prayer needed for one of our supporters, New Beginning Baptist Church, who lost their dear pastor, Billy Balcom, in a terrible car accident. He was turning off a major highway within sight of the church parking lot on Friday night of their Missions Conference. The family and church family really need us to lift them up to the Lord in prayer during this difficult time.

Praise the Lord, God is still calling missionaries into all the world. This morning at Macedonia's home office we are thankful to be interviewing a new family who God has called to Italy. If God is working in your heart about missions, we would love to work with you. Please contact us through a phone call or by email.

We are thankful for open doors to be in mission conferences and for bookings to report into our supporting churches. Please contact us by email or phone 770-697-5593 so we can schedule a time to give in person updates and any special meetings or mission conferences that we can attend or help you with.

As always thank you for your support as we continue to support our national pastors in Indonesia and hear from them at least monthly about how God is working in their ministries.

Love in Christ,

Stanley Ewing
