July-August 2026

Dear Pastor and Fellow Laborers,

To all our dear fellow laborers in the Gospel, it is such a blessing to serve with you for the sake of our dear Lord's ever-growing harvest field. We look around us daily to find that people are more broken today than ever! That being said, I would ask that you be much in prayer for the salvation of several folks that we have had the opportunity to share the Gospel with over these past two months: Michael, River, Jose, Randy, and Trey. These dear ones need the Lord.

Ministry Highlight: Please be in prayer for one of our missionaries, Brother Caleb Hewett, and his team of five qualified men going to Nepal during the 2nd week of September. Brother Caleb's ministry as a missionary with MWBM is called Second Man Ministries. The Hewetts come alongside missionaries and pastors in order to bring them assistance in various needs. They are going to be teaming up with an Independent Baptist church and missionary in Katmandu, Nepal, to bring the Gospel, hope, relief, and aid to the villages and people affected by the recent disaster in that country. There is great expense for them to do this. They are trying to raise about $38,000 to cover the trip and relief packets that they are putting together to distribute in those villages. Please be much in prayer about that great opportunity to get the Gospel and help into a very needy place. If your church would like to be a help financially, you can send the donation to MWBM (P.O. Box 519, Braselton, GA 30517). Please designate to - Caleb Hewett Nepal Relief Team 040. You can also donate through the online giving portal on MWBM.org/onlinegiving/. Please use the top Online Giving button and donate to Caleb Hewett.

Ministry News: Years ago, while in Bible college, we learned a phrase that has stuck with me ever since. "The most sobering reality in the world today is that people are dying and going to hell today." That statement is even more relevant in 2026. The world needs more laborers.

We praise the Lord here at Macedonia for bringing us three new families as missionaries in the months of July and August. The Bussey family going to Italy, the Ruckman family (MWBM second-generation missionary) to a creative access country, and the Hector family in the Missionary/Church Helps ministries. We are thrilled to have these three young couples on board with us. We are preparing the interview of another candidate in the weeks ahead.

On a sadder note, please be in prayer for the Horton family. Dr. Mahlon Horton, the first foreign missionary with MWBM, who was accepted with MWBM the same day as my father in 1975, went home to be with the Lord on July 31st at 95 years old. We will miss this faithful man of God. Please be in prayer for his dear wife of almost 71 years, Sister Audrey Horton.

Also be in prayer for one of our faithful supporting churches, New Beginning Baptist Church of Asheville, NC. Their dear pastor, Bro. Billy Balcom, died after a severe car accident happened just in front of the church during their revival services that my dad was preaching. He had just turned 83 years old on the day of the accident. Please pray that the Lord will provide a pastor for this dear church. Please be in prayer for his family as well in their time of grief.

We love you, and we are so thankful to be partners with you in ministry!

In His care,

Jason and Amanda Hamby
