June-July 2026

To Our Wonderful Partners,

What a year it has already been! It's amazing how time begins to fly and you realize we are over halfway through 2026. Can I just stop and say to you all our Lord has been SO faithful. As the song says, "All I have need of, His hand will provide, He's always been faithful to me!" I hope you can look back already on this year and see God's hand of providence and provision as well. If not, let me tell you He's been there! Even in the times it didn't feel that way. He promised He would "never leave us or forsake us." He's good; He just can't help Himself!

Our summer adventures have had us going all around. As of the last letter, we were in the middle of some meetings in Tennessee and the Carolinas. As we finished those up, we made our way back home after being gone for close to 2 months. It was great to be able to spend the anniversary of our great nation's founding with family and friends back home. Levi sure loved the fireworks, ice cream, and being with family.

After a wonderful Sunday at a local church, we headed out for Arkansas to be with some old friends of ours. From there we enjoyed a mid-week service close to Memphis, back home to be in Georgia at some great churches, and then I flew out to South Dakota for a week of youth camp. What a week we had in Watertown, SD, at the Higher Grounds Baptist Bible Camp with many area churches. A total of 87 campers were there, 4 got saved, and many were moved to live a life "not for sale"! I had the great honor of being with the younger teenage boys this year. What a time we had together and seeing the Lord work! After the camp wrapped up, I made the journey over to Winner. It was pouring down rain, so the best we could do was pray and dream about what God can do in the future. I'll be honest, I needed it, and it has given me an even stronger burden to be back there full-time proclaiming the Gospel!

Our travels over the next couple of months are going to be all over and extended in some spots. Please pray that the Lord will continue to raise our support levels as we try to reach the people of Winner, SD, and beyond! We are currently still hanging around 36% of our needed support. God has been so kind to give us friends and supporters like you all! We couldn't do what we do without you.
