URGENT PRAYER LETTER-SEPTEMBER 2026

Dear Supporters and Friends,

Just this past Sunday, I was made aware of a tragedy in Nepal that is beyond anything I have ever seen or heard of. God has heavily burdened my heart and mind with this crisis, and it is something I cannot shake.

After much prayer and receiving wise counsel from my pastor and trusted friends, we have received a clear "green light" to move forward quickly with a rapid-response mission trip.

We are writing to share an urgent, God-given opportunity to bring both physical relief and the life-changing hope of Jesus Christ to the people of Nepal following recent, devastating flash floods. As news of this tragedy continues to unfold, our hearts break for the families who have lost absolutely everything, and we feel a definitive call to respond.

I, along with four other faithful men, are preparing to travel leaving Atlanta on September 9th and returning around the 20th for an urgent Gospel outreach and disaster relief. Our five-man team possesses a diverse set of practical and ministerial skills uniquely suited for a crisis environment. Our plan is twofold:

Practical Relief & Church Support: We will work directly alongside local Nepali Christians and established ministries to provide hands-on relief, doing whatever is needed most while on the ground. We will also distribute emergency supplies directly to suffering families.

Gospel Evangelism: In the midst of overwhelming physical pain, there is a profound spiritual hunger. Our team will actively share the Good News of Jesus Christ through every available means. To share the Word safely given the local religious sensitivities, members of our planning team have designed a small business card. It features a simple message of hope and a QR code that directs people to a Gospel message, while providing a way to stay in contact with us and their local Baptist church. Local Nepali Christians have advised us that this is the most effective and safest way to get the Gospel into the hands of the people without hindering long-term ministry work already established there.

Additionally, we will be preaching and teaching at a local Bible college and conference.

Because this trip is a rapid response to a sudden disaster, we do not have the luxury of spending months raising funds. We are relying entirely on the Lord's provision through His church to make this mission possible.

Our Financial Need

The total projected cost to send our five-man team for this mission is approximately $35,000. This amount includes funds to purchase relief items directly inside Nepal. Buying supplies locally saves significantly on airline baggage fees and directly supports the local economy during this tragedy. We are currently creating a transparent budget breakdown so you can see exactly how these funds will be used. We expect to have this available within the next 24 to 48 hours. If you or your church would like a copy, please contact us directly, and we will gladly email it to you.

How You Can Partner With Us

We would be deeply honored if you would consider standing with us in two specific ways:

Commit to Urgent Prayer: Please pray for our safety, travel logistics, health, and for open doors to preach the Word with boldness. Pray that the hearts of the Nepali people will be receptive to the hope found only in the Gospel.

Provide Financial Support: If the Lord leads you to give toward this emergency relief fund, checks can be made out to Macedonia World Baptist Missions with "Nepal Disaster Relief Team" written in the memo line to ensure your gift is tax-deductible.

Thank you for your prayers and support. We are incredibly grateful for your generosity and your heart for the furtherance of the Gospel in a lost and dying world. We look forward to sending you a detailed report of all that God accomplishes through your faithfulness when the team returns.

Because of Him,
Caleb Hewett
