MISSIONARIES IN
NEW MEXICO

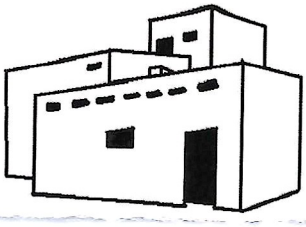
Dear Prayer Partners,

July—September 2026

Yá'át'ééh (Hello in Navajo). I pray this letter finds you doing well and the Lord is blessing you. The Lord is so good to us, all the time. God has always been good, Amen!

Since our last letter, we have been working steadily inviting new folks to the church services. Each week our members come in telling stories of how they've witnessed to people they have met out in town. Brother Sena shared how he talked to a man at one of his appointments in Albuquerque. He always gets a plug in for the Lord. Our son, Joshua, told me yesterday about witnessing to a lady at a booth outside his workplace. He talked to her and gave her a gospel tract. Others share the gospel at the post office and at the grocery store each week. I witnessed to a neighbor just yesterday and gave him the gospel. We are doing the work and trusting the Lord for the increase, praise God!

We continue to have discipleship classes on Sunday nights even though our group has suffered some losses. A young couple who showed so much potential dropped out and has influenced several others to quit. When folks get excited about getting saved and follow the Lord in believers baptism and begin to grow, it is awesome! They begin to show some commitment and accountability to the Lord and the church. Sooner or later, the deeper they get into the word of God, the Holy Spirit begins to point things out in their lives that they need to fix. They are at a crossroads and have to make a decision. If they are going to follow the Lord, they must give up their sin. If they refuse to give up their sins, they will either get out of church completely or find a church where the Word is so watered down that they can live the way they want to and still call themselves a Christian. Many, when confronted with holy living, throw in the towel and call it quits. We are praying for them as every attempt to reconcile them has been unfruitful. I do praise the Lord for the solid core group of 8-10 that we have. These saints have been faithful for years now. Despite the losses and heartbreak of losing folks, we keep moving forward! I mentioned to the church two Wednesday nights ago at prayer meeting, "If the enemy is fighting us this hard, we must be right on target. Let's hit the gas!" By faith, the church just voted to take on another mission work in Africa. This will be our ninth missionary. I don't know how God does it. He just keeps doing it!



We know the Lord has a magnificent plan for Liberty Baptist Church in Bernalillo, NM. We can see His Almighty hand working. The vision He has given us is beyond what I can do in my lifetime, so we continue to pray for laborers to join us in the fight. We are begging God to bless us until we just can't stand it! For now, we continue to rent the house that the church calls "home," while we pray for the Lord to eventually give us our own facilities. We pray for open doors to present the gospel to the residents of our town and the state of Nuevo Mexico. We pray for finances for the church and for our own personal needs as well. We praise the Lord for His faithfulness! We pray for the Lord to use UG in a great and mighty way.

We want to say thank you for your faithful prayers and support of the ministry that the Lord has called us to. We could not do what we do without you. Thank you for allowing us to serve as your missionaries to New Mexico. Lord bless you as we labor together for the souls of men.
