August, 2026

With grateful hearts we give praise to the Lord for how good and faithful He has been to us. Every day we experience His protection, provision, and favor beyond our expectations. Looking back on the first half of 2026, we can testify of the Lord leading us through several different situations, proving His faithfulness and teaching us that we can totally depend on Him at all times and for all things.

The Lord has kept our family in good health and we are doing well by His grace. David has been accepted at the University for the West Indies in Barbados. He will be leaving on August 25. Please keep him in prayer as he begins his studies there. The Lord has providentially provided and put things in place for the first year. We trust His continued provision every step of this journey. Micah graduated from A-level and the Lord has already opened a door for employment at the St. Lucia Ports Authourity. It is a short term contract, but we praise the Lord for it and trust his direction from there. Jaelys did the Primary (Elementary) school leaving exam and topped her school with 96.6%. She will be attending secondary (high) school in September. She is very excited. Edlina is doing much better. There are still some low periods, but for the most part, the Lord gives improvement day by day. We praise the Lord for all that He has done and continues to do for us.

The Lord allowed us in the past school year to continue the Bible classes in 3 different classes at the Primary school. Three of the teachers have already confirmed with us for the coming school year. We praise the Lord for this opportunity to continue sharing His Word with these students.

A couple months ago, the Lord gave us the opportunity to lead one of Edlina's cousins to the Lord. She had been going through a very difficult time physically and emotionally and we went to visit her. The Lord had been preparing her heart and she was very aware of her need for the Lord. She prayed to receive Christ as Savior. Please keep her in prayer that she would continue to serve the Lord.

The ministry at Solid Rock is continuing well. The believers have remained faithful. We praise the Lord for the work that He is doing, and the way He blesses and uses this ministry. For our missions month in June, we were challenged through the theme, "Go work today in My vineyard." This year's missions project was the ministry in Haiti pastored by Pastor Wisley Bregis. Again we praise the Lord for the opportunity to be a part of His work in other countries.

The bus that we had been using for church transportation for the past 14 years had again needed major body work which was not worth the cost. The Lord provided a buyer and we trusted Him to provide the funds needed to purchase a good replacement. Through Caribbean Global Missions, we were able to get the finances. The Lord provided a large portion of the funds and we only needed to borrow half of the amount that we initially planned. Again we trust the Lord to provide that we can clear this loan as soon as possible. We rejoice in the faithfulness of the Lord.

Thank you for your prayerful, financial and personal support, and sharing with us in the work of the Lord. You are a great encouragement. We praise the Lord for you and trust that He will continue to bless and use you for His honor and glory.

Laborers Together in Christ
Jesse, Edlina, David, Micah & Jaelys Naitram
