"Giving thanks always for all things unto God and the Father in the name of our Lord Jesus Christ." Ephesians 5:20

Grace Baptist church

Construction is underway on the house next to the church as we transform it into a space for children's church, fellowship and offices. We are excited to have a dedicated space for our children's ministries. **We are praying the building will be ready by the end of September for Vacation Bible School.**

Future sight of the childrens classes and playground.

Our Vacation Bible school is three weeks away! September 28-October 1.
🚀 🌟

Our church has been contacting the local schools to pass out flyers and invite the

children to VBS.

Please pray the schools will be open to our church visit, and that many children will come to VBS through this outreach.

The schools here all follow the same schedule that is set forth by the department of education. This aids us in ministry, planning VBS and other outreach events. We can know exactly when schools are in session or on vacation.

Future fellowship hall with covered patio.

Bay Baptist Academy

As our American friends are enjoying summer we are all bundled up for winter here. Our students enjoyed 3 weeks off in June/July for winter break. We are in Term 3 out of 4. Our school year finishes at the end of November.

Chapel is the highlight of our week at BBA!

A glimpse into art with Grade 0 & R.

The past few weeks I have enjoyed teaching in Grade R and Grade 0.
I have a weekly art class with each of these classes and have enjoyed the extra time substituting in the classrooms with these kids.
Here is a glimpse into art time with Grade 0 (Pre-K4) and Grade R. (Kindergarten)
As our school grows we are in need of more passionate Christian teachers! If you or someone you know would be interested in teaching at Bay Baptist Academy please let me know!

New Outreach opportunities!

Recently we started a children's program at Vistarus Mission Station, a local mission/family shelter. I teach a class for ages 4-9 and my friend teaches the older children. For some of these children this is their only exposure to the gospel!

Please pray for SOS children's village, home to approximately sixty children. I

Bible Club at Visatrus Mission Station.

have been wanting to start a children's Bible club at SOS and am praying the Lord sends volunteers who are able to help.

SOS childrens village

February 2026 marks 3 years of fostering!

The past three years have been a wonderful journey that I never expected to take. This beautiful girl is busy planning for her 9th Birthday which is in October. :) She says she wants to visit America to eat Chik-Fil-A and visit my college teachers. :)
She often asks when I'm going to adopt her.

I recently met with a lawyer that specializes in children law. She is confident she can help me in this process. This is an answer to prayer as I have been looking for someone who is knowledgeable in the area of adoption!

Please continue to pray for wisdom during this process and the funds needed for lawyer fees.

Thank you for your faithful prayers and support for the people of South Africa.
