JULY/AUGUST 2026 MISSIONARIES TO PERÚ

Pastor José and Hna. Lucia Praise Report

We thank you for praying for Lucia as she underwent surgery. She is recovering well and the biopsy came back benign! I have been meeting with José's brother Miguel for discipleship, and during those times have had several opportunities to share the Gospel with their extended family. We are excited that a taxi-load of the family have been coming to church, even though it is quite a distance and is difficult for Jose's mother Mirtha, who is still in a wheelchair. Please pray especially for the salvation of Jose's Aunt Brigida who has been quite interested. These are folks that have been prayed for for many years, and it is exciting to see God working in their family.

Camp Property

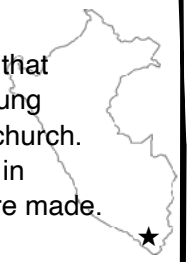
God has been providing little by little for the purchase of the camp property. **We now have a donor who is willing to match donations for this need up to $10,000**. These can be sent to MWBM marked "Special Funds-Camp". Last year, Sara was able to make over $1,000 dollars through bake-sales and snack shops at different team events, and is working hard at it again this year. We are humble, but confident that God will provide for His camp.

Visitors

We were able to host 2 young ladies from a supporting church in FL for the month of July. They were a great help in many areas and we pray that God will use their trip to clarify His will.

We are looking forward to the visit of our MWBM field director Bruce Berry this week. During his visit, on September 6, we will be officially organizing our church, the Redemption Baptist Church, as a local congregation. We are thankful for our sending church, Carrollton Baptist Temple, and for the planting church, Calvary Baptist here in Tacna, who have both had a part in this church plant. Please pray that God would continue to use us for His glory.

Youth Congress



The Lord blessed in the Youth Congress that we held at the end of July. Of the 140 young people who attended, 25 were from our church. We are grateful for how the Lord worked in each heart and for the decisions that were made.

Salvation Decisions

Two young boys from one of our faithful families recently have professed Christ as Savior. Please pray for them and for the families in our church for God's wisdom to raise their children for His glory.

One of our team churches was able to make a trip in August to evangelize in several mountain villages located hours outside the city where the Aymara language is spoken. They saw three people trust Christ and others make decisions of rededication. We are praying for wisdom in how to help continue now that contact has been made in this area that has no Bible-preaching churches.

Furlough

On July 2, we celebrated ***18 years*** since our initial arrival in Peru. God has been so good through the years, and we thank Him for the opportunity to serve Him. We plan to take a 5-month furlough beginning in mid-April 2027. During this time, we will be visiting family, reporting to supporters, visiting new churches, and getting our two oldest boys set up at college. If you would like to have us visit your church to give an update, you can contact me at 330-238-4944 or rstover22@yahoo.com. We look forward to seeing many of you!

Prayer Requests

Please pray for several teen events at the church leaving up to a banquet in September. We recently had 4 first-time visitors on Friend Day.

Please pray as we prepare for our Ladies Conference- October 15-17.

We are so thankful for each of you who partners with us in prayer and financial support.
Your Servants for the Savior,

Robert & Sara Stover and Family
