July - August 2026

"The Lord liveth; and blessed be my rock; and let the God of my salvation be exalted." (Psalm 18:46) The Lord has been very good to our family, and we cannot speak enough of His faithfulness in our lives. We have had a very busy two months, and we hope that the content of this letter will be a blessing as we believe the Lord continues to work in our lives.

We had our second meeting in July in the city of Goes. In June, we held our first meeting, and the Gospel was preached. In July, we were able to pass out more than 1,500 fliers to invite people to this meeting. We also did a lot of advertising on social media platforms in this area. We had 12 in attendance at this meeting. The Gospel was preached out of 2 Samuel 9 in which David demonstrated grace to Mephibosheth. What a wonderful picture of our lost condition and the grace of our God that can lift us out of our condition. He gives us a seat at His table although we are undeserving! There were people there who needed to hear the Gospel. We trust God to do His work in the hearts of all who heard.

We also had the privilege to travel to America for a few weeks. Our Pastor, Rev. Matt Dibler, asked if we would be willing to come back and preach Homecoming and Revival services at our home church. Calvary Baptist Church was very generous in providing for our plane tickets to be a part of these services. We praise the Lord for His working in the hearts of the people during these services. We were certainly blessed and honored to have a part.

We arrived back in the Netherlands on August 22. We are now praying about beginning a new series of meetings in the area around the city of Breda. Please pray that the Lord will provide a place for us to meet as well as bring people to the meeting who need to hear the Gospel.

Many have asked about our homeschooling situation. First of all, thank you so much for praying for us and our children. We are still waiting for a response following our most recent letter to the government. Schools in the Netherlands started on August 24. Our children began their homeschool program on August 26. We are not sure if we will receive an exemption or not, but we trust the Lord in all things.

Prayer Requests

1. Please pray with us for our school exemption request to be approved.
2. Please pray with us as we search for a meeting location in Breda.
3. Please pray with us for an understanding of the language.

Praises

1. Praise the Lord for His working in the hearts of those in our home church.
2. Praise the Lord for safety during our recent travel.
3. Praise the Lord for another good report from Caroline's ophthalmologist.

Thank you for your prayers and support!

In His Service,
John David Williams and Family
