Dear Friends,

We thank the Lord for His goodness and faithfulness in our corner of the world.

Family
The Wilson family is blessed beyond measure. We are grateful for his guidance and provision as we serve Him in the islands of Milne Bay. Our Jesse turned two years old in June, and Tabitha and I celebrated our ninth wedding anniversary in July. Our two girls started back school recently; Cassia is now in third grade, and Cherith is in first. Our kids love to bake, play in the river, eat fresh pineapple, and ride on the boat. We are blessed abundantly, and we thank God for giving us the privilege to raise our children on the mission field.

Church
The Lord has been working greatly at Eastern Sky Baptist Church. Souls are getting saved, believers are getting baptized, disciples are growing in their faith, and men are actively being trained for future ministries. In August, we officially organized Eastern Sky into an established local church. We had 33 officially join as members, with several more still going through some foundational lessons in preparation for membership. We thank the Lord for His wisdom regarding the order of these things, and we thank Him for enabling these dear brethren to obey the clear instructions in His Word. A week later, we held our first communion service at Eastern Sky. This was a time of rejoicing, sobriety, and meditation as we remembered the sacrifice of our Saviour. For most of our people, it was their first time to ever partake in the Lord's supper. We praise God for all He does in our midst!

Bible School
We are in the final couple months of year two in the Bible School, and we continue to see faithful brethren grow in their walk with God and their understanding of the Scripture. We are currently gathering much help and wisdom from the epistles to the Thessalonians. In year three (2027), our students will take a break from classroom learning and will each spend extensive time with national pastors in various parts of the province. This period of time will give them opportunity to prove their studies, assist pastors in their fields, and glean practical local ministerial wisdom from a perspective that I alone could never supply. Please pray for these folks!

Furlough
We will be returning to the states for a short furlough from November 2026 to April 2027. We will use this time to visit family, get some paperwork done, visit churches, and encourage people regarding missions. We have a few capable preachers at Eastern Sky who will help lead the church until we return. Please pray for the church, and pray for our time in America to be profitable.

We appreciate you all helping us reach our corner of the field, and we ask you to continue praying for us as we go further for the glory of God.
